GETTING THERE

Things were different this year.
 We changed.
 Administration changed.
 And ideas changed.
 But change isn't always bad
 even though it seemed that way
 at first.
 Somehow it all worked out.
 We accepted Mr. Billick
 and his rules.
 We adjusted to a few new teachers,
 And we got to know our friends again
 after another summer.
 It was important-
 maybe more than ever this year-
 to find things that hadn't changed,
 like friends and good times.
 And when we found them,
 it made us better.
 We were GETTING THERE
 together.

A

B

But where is "there"? Having the No. 1 football and cross country teams in the JAC? Having our own field lights? Losing our former reputation of being a "nothing" school? All of these and a lot of other achievements have started us on our way.

So just keep going and find out what we did and where we headed. This is a year of our lives.

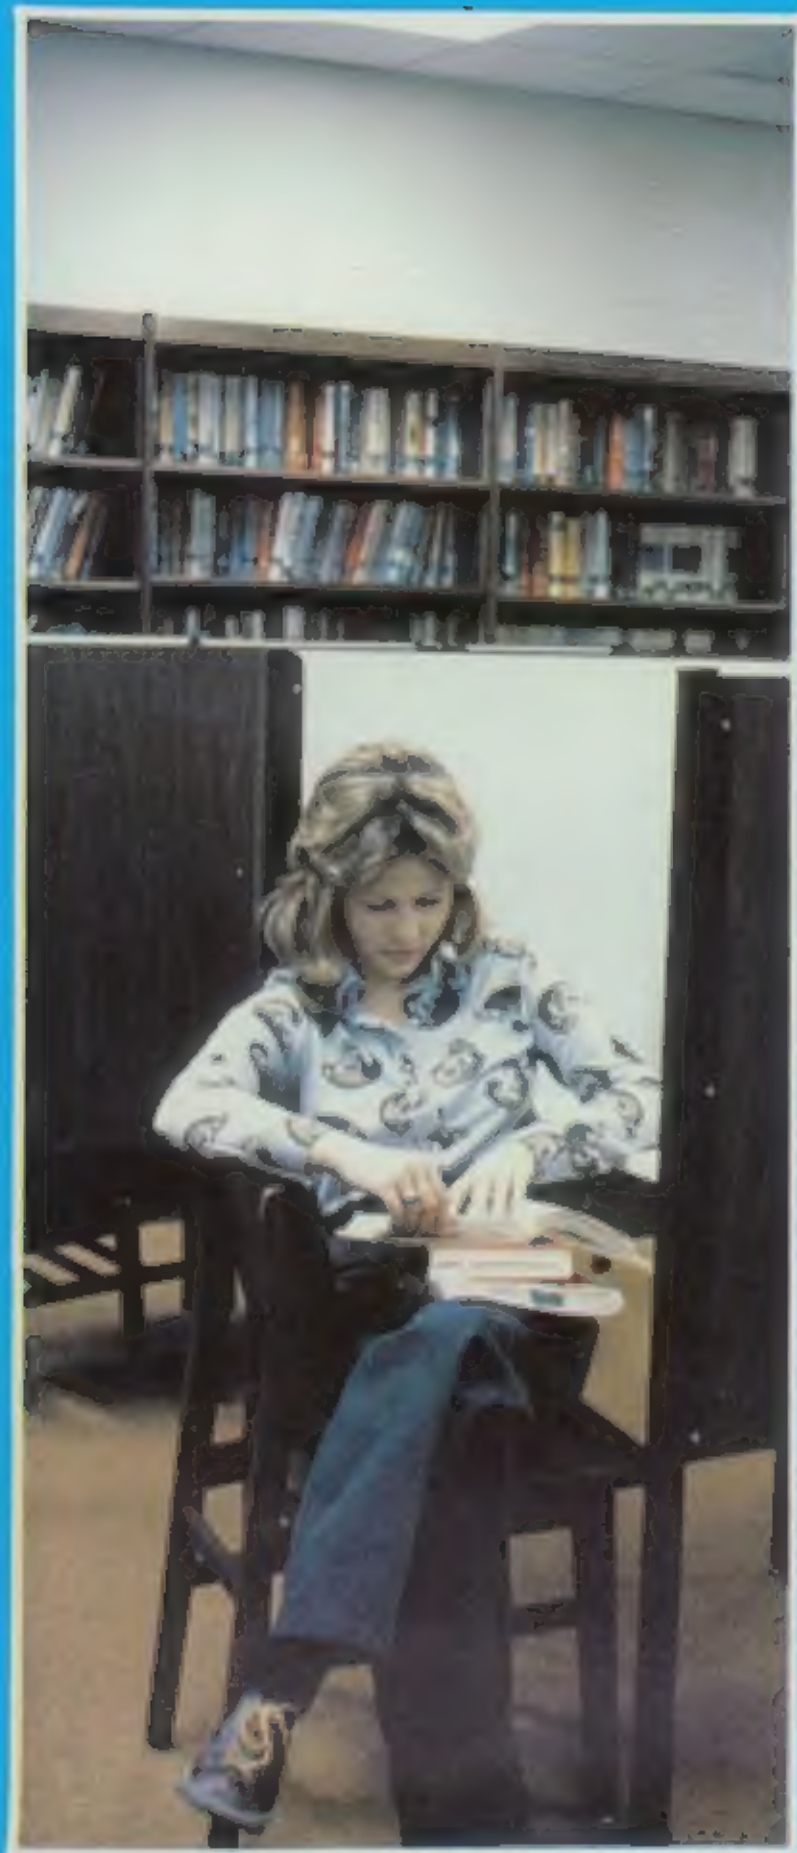

A. Terri Peoples likes to let other kids know what's on her mind.

B. "From better to best" describes the team -our team-that took top honors in the conference.

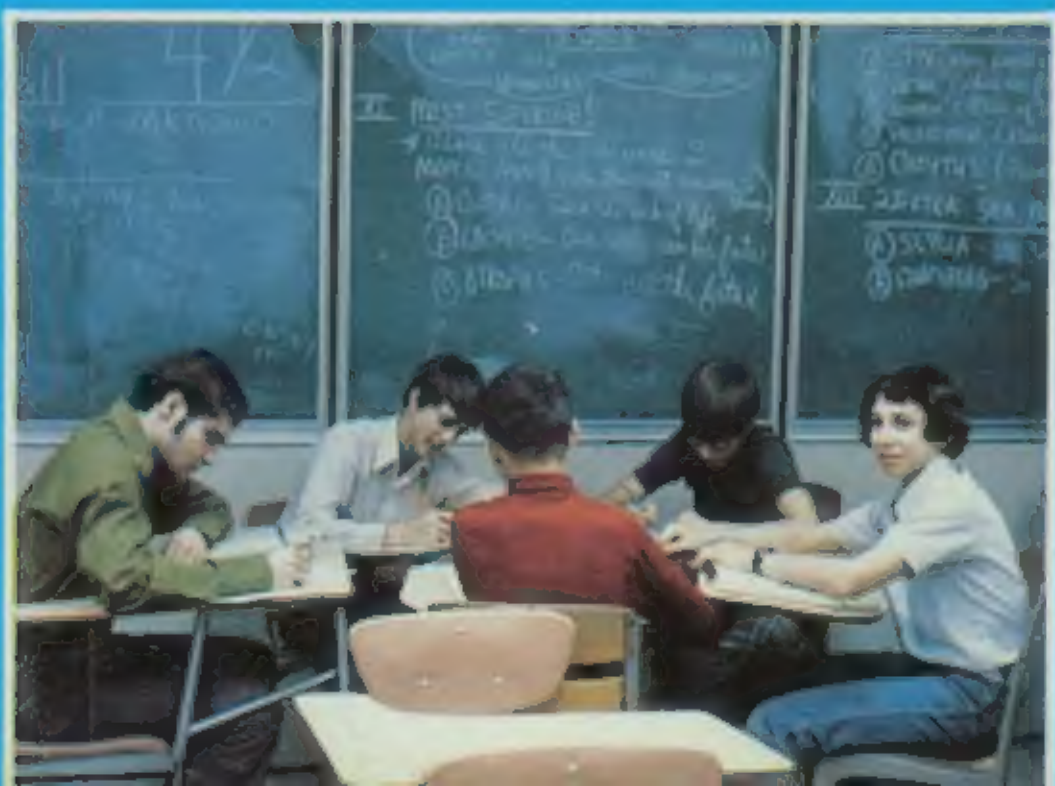

C. Homecoming 1974 was one of the good times. Gail Norris, junior attendant, looks happy about it, too.

D. Our first season of night games really added to the excitement. Here, Dian Reed shares a lot of enthusiasm.

E. This has something to do with an ice cube at play practice, but no one seems to understand it except Marla Eberhardt and Greg Patton.

There were times to adjust, to accept, and sometimes to question. We tried to make it fit together. And that's when friends came in: friends who cared and could make the good times better. They helped us find out about ourselves and how important it is to belong.

FRIENDS AND GOOD TIMES

What is a Friend? I will tell you,
It is a person with whom you dare to
be yourself.

—Frank Crane

PEOPLE WHO CARE

Sometimes they seemed few and far between. But luckily, there were a lot of us who remained immune to the waves of apathy that swept through the school on Mondays and the week of semester finals.

People who cared helped us through a rough class, a nervous moment before a game, a time when everything seemed to be going wrong . . .

A. Mr. Sherrick, Phil Harbaugh, and Richard Crist make plans for the new tennis courts.
B. Behind the scenes, Stacy Bradley helps Val Whitwell get ready for "All My Sons."

... And that's why the Seniors chose Mr. Bailey for this year's CRESCENT Dedication. He cared about the school and he cared about us as a class. In World Studies and American Studies 1, he helped us experience history instead of just memorize it. We discussed, we argued, we laughed. And Mr. Bailey cared enough to tell us what he thought. At least he was honest.

As our Junior Class Advisor, he helped us make decisions and plan our Prom.

Thanks for caring, Mr. Bailey.

HAPPENINGS

"What is there to do at Crestview?" they ask us. Our answers range from "nothing" to "too much." It just depends on how involved you want to be.

This year there were plenty of things to do other than homework and some of the best times happened after-hours while putting on "All My Sons" or setting up the prom, "We Shall Never Pass This Way Again."

Becoming a part of the happenings here made school life a lot easier to take. After all, hitting the books for six hours really gets to be a drag. So, the extra things we did got our minds off of school for a while and widened our horizons. It was all a part of GETTING THERE.

SPECIAL WEEKEND

And it all started on Friday night, October 11, at the game. The novelty of having our own field lights still hadn't worn off and spirit for our winning team was running high.

Pre-game activities included the Homecoming Court's introduction to the crowd after riding around the track in vintage cars. 1974 Homecoming Queen Judy Crank was crowned by the 1973 Queen, Kay Ramsay.

The football team made history as we won our Homecoming game over Plymouth, 51 to zip!

The Homecoming court, their escorts, and those of us who were there will remember it for a long time.

On Saturday, October 12, the Homecoming Dance was held in the Crestview Gym, that was decorated as a football field. Many couples danced to the music of the "Weekenders."

A. It's an exciting moment as Kay Ramsay passes her royalty to Judy Crank, our 1974 Homecoming Queen.

B. An enthusiastic Doug Haught is cheered on at the start of the game by an equally enthusiastic Mary Vogel.

C. Coach Seder puts through another winning strategy.

D. Jamle McGraw, ball carrier, is no easy match for a Plymouth opponent as he heads for paydirt.

E. One of the many exciting plays of the evening brings the Court Royalty to their feet.

ARTHUR MILLER'S "ALL MY SONS"

"All My Sons" was a study in morality. The mechanisms were a business, a family, and a war. The issue was the social confusion between duty and the "Golden Rule" and the tragedy that results when we try to "cover up" our mistakes instead of facing them honestly. The Drama Club enjoyed the play and learned much about life while performing it.

THREE ONE-ACT PLAYS

CELEBRATION OF SPRING

The 1975 May Festival of Arts, held on May 4, was the biggest ever. Large parts of the school were set aside for students to show their art projects, local stores and artists displayed work for sale, the Drama Club put on the play, "The Ledge, the Ledger, and the Legend," and sold refreshments while the school bands, chorus, and gymnastics team performed in the gymnasium. The Festival was a complete success due to the hard work of Mr. William Werher, Crestview Art teacher, and his students.

SENIORS SAY FAREWELL

The Senior Assembly was a mixture of sadness and happiness. Sadness because it was the last time. Happiness because we were proud of our accomplishments. There were a lot of those.

Club advisors distributed awards to seniors and underclassmen for their participation. Mr. McVicker announced the Babe Ruth winners and they presented outstanding student awards to members of the student body who excelled in particular courses. Other honors were State Board Certificates, librarian awards, service awards, scholarship team and winners' awards, and honor awards.

The Senior's portion of the program consisted of an introduction by Chuck Guthrie, readings of the Class Will by Pam Wolf, the Class History by Janice Vogel, and the Class Prophecy by Joanie Gibson, presentation of the Crescent Dedication to Scott Bailey by Melody Funk, and finally, Chuck gave the farewell speech.

It was hard to say good-bye.

JUNE 8, 1975 . . . GRADUATION DAY . . .

June 8, 1975 -- a special day, an exciting day, a memorable day -- graduation day for 122 seniors. It was our last time to enter the gymnasium as Crestview students. We were to leave it to begin a new way of life.

Our class colors were King's Blue and Gold, and we carried a yellow rose bud out with us. Our motto was "We have followed; now we lead." Our class song was "Time in a Bottle."

Dr. John Nethers gave our graduation speech and Mr. Voy Harmon presented us with our diplomas. Mr. Anthony Billick recognized 22 of us for having a 3.3 or better grade average.

After graduation, we were congratulated by family and friends, and we knew that no matter what the future would bring, the memory of these people would be carried forever in the hearts and minds of the graduates of 1975.

FOR CLASS OF '75

GROUPS

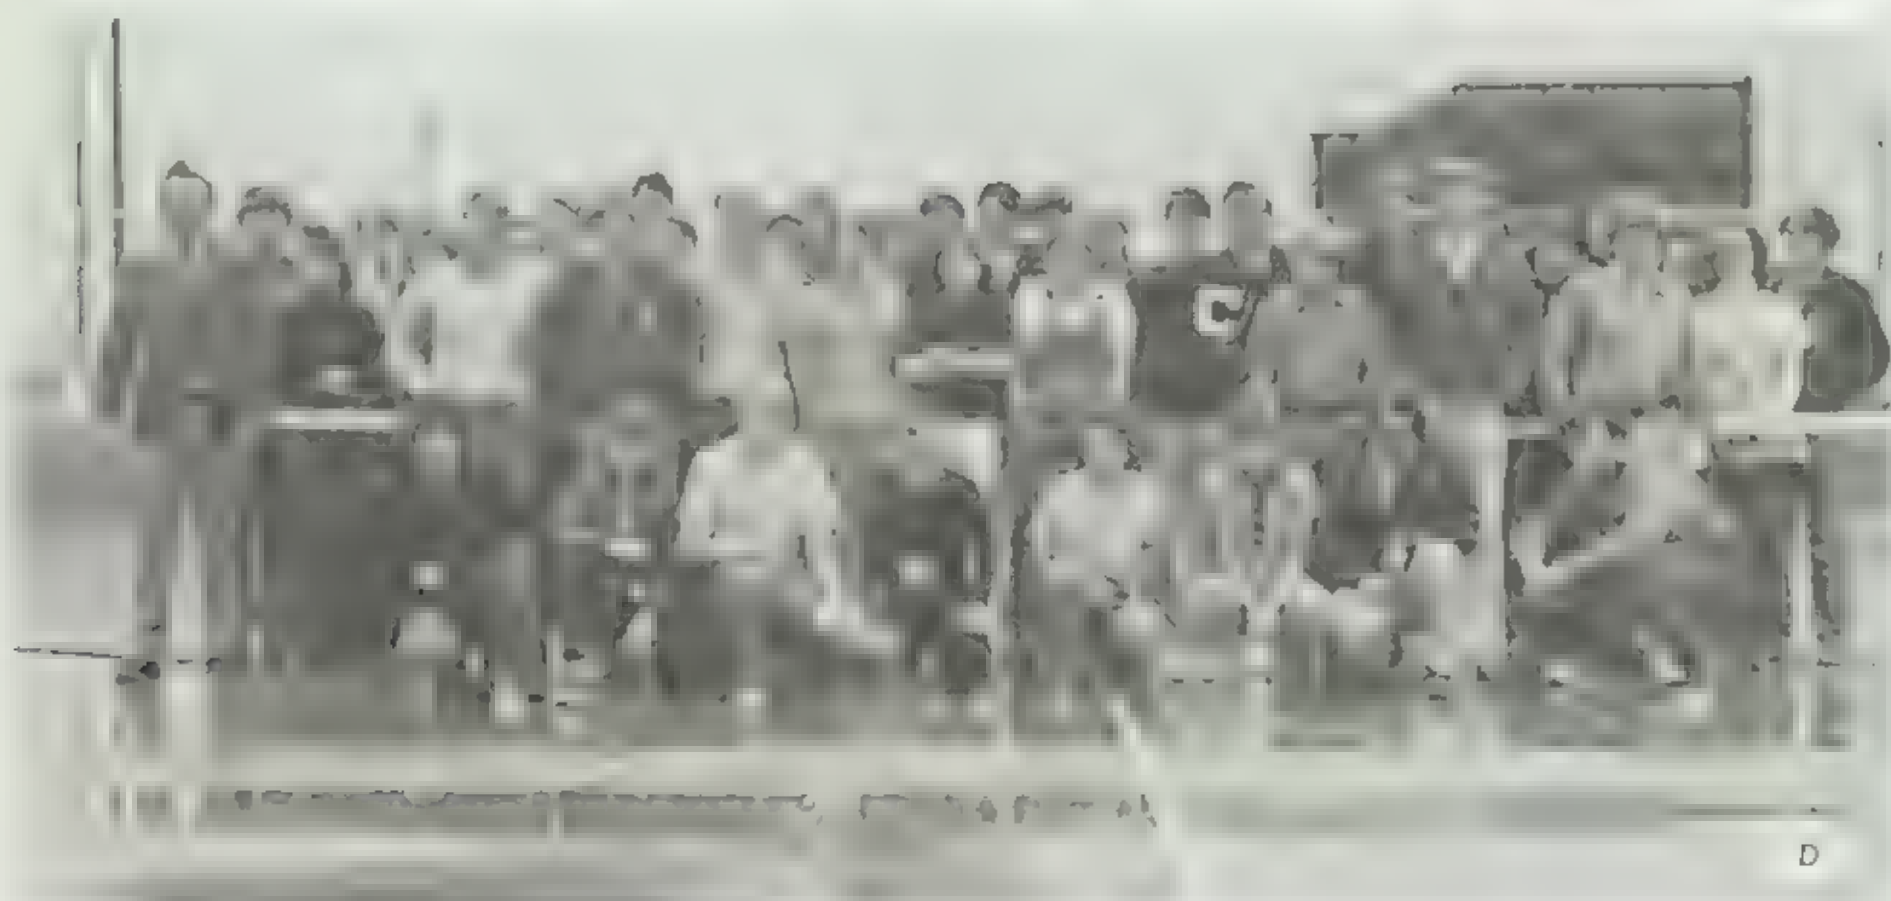

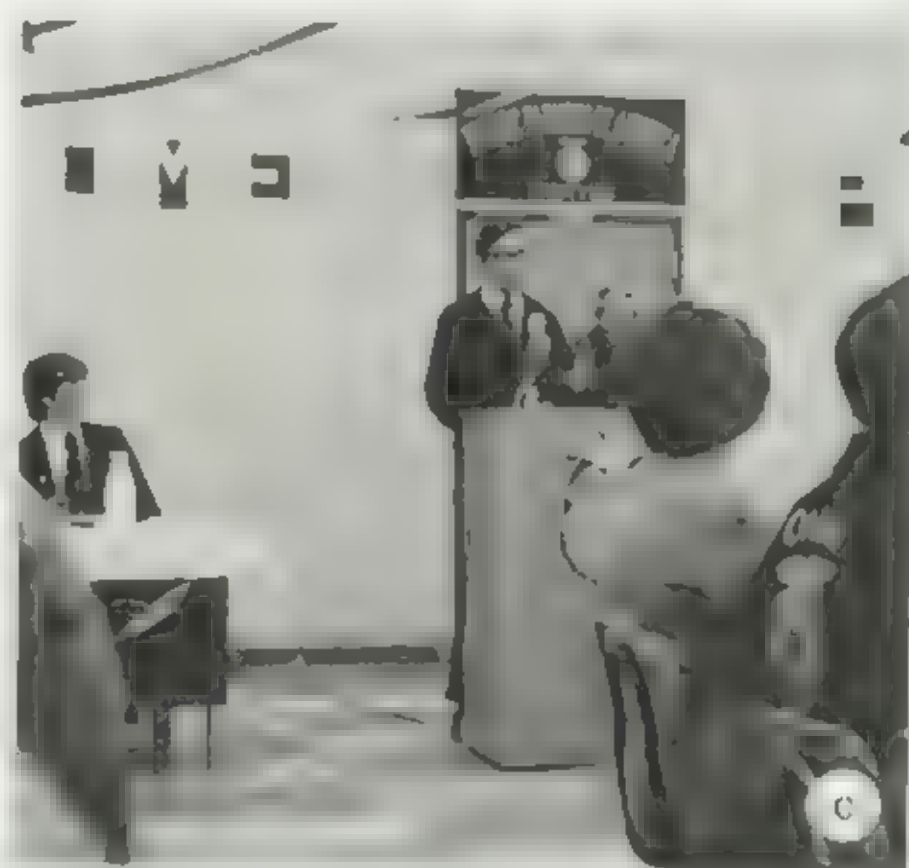

Working together with other kids and advisors taught us things that not all classroom situations could, like cooperating, communicating, reaching goals as a group, and having a good time.

Some groups were super active. FFA was just one of those. Their activities included planning the new tennis courts, citrus fruit and seed sales, and their annual banquet. They also participated in various contests during the year and earned high honors.

Being together in clubs, and liking it, was important. It made "getting there" easier.

AND THE MEMBERS
LIKE IT

FUTURE FARMERS OF AMERICA

The FFA was active again this year, with the most noticeable activity being the construction and dedication of three new tennis courts. Along with some community support and a tremendous citrus fruit sale, the debt on the courts is being paid off at a fairly good pace. With Mr. Sherrick as an advisor, the FFA has proved itself once again as a worthwhile program.

A. Steve Spoerr, Duane Gallaway, and Dale Anderson put up the FFA Emblem, for the Annual Parents' banquet.

STUDENT BODY GETS INTO THE ACT

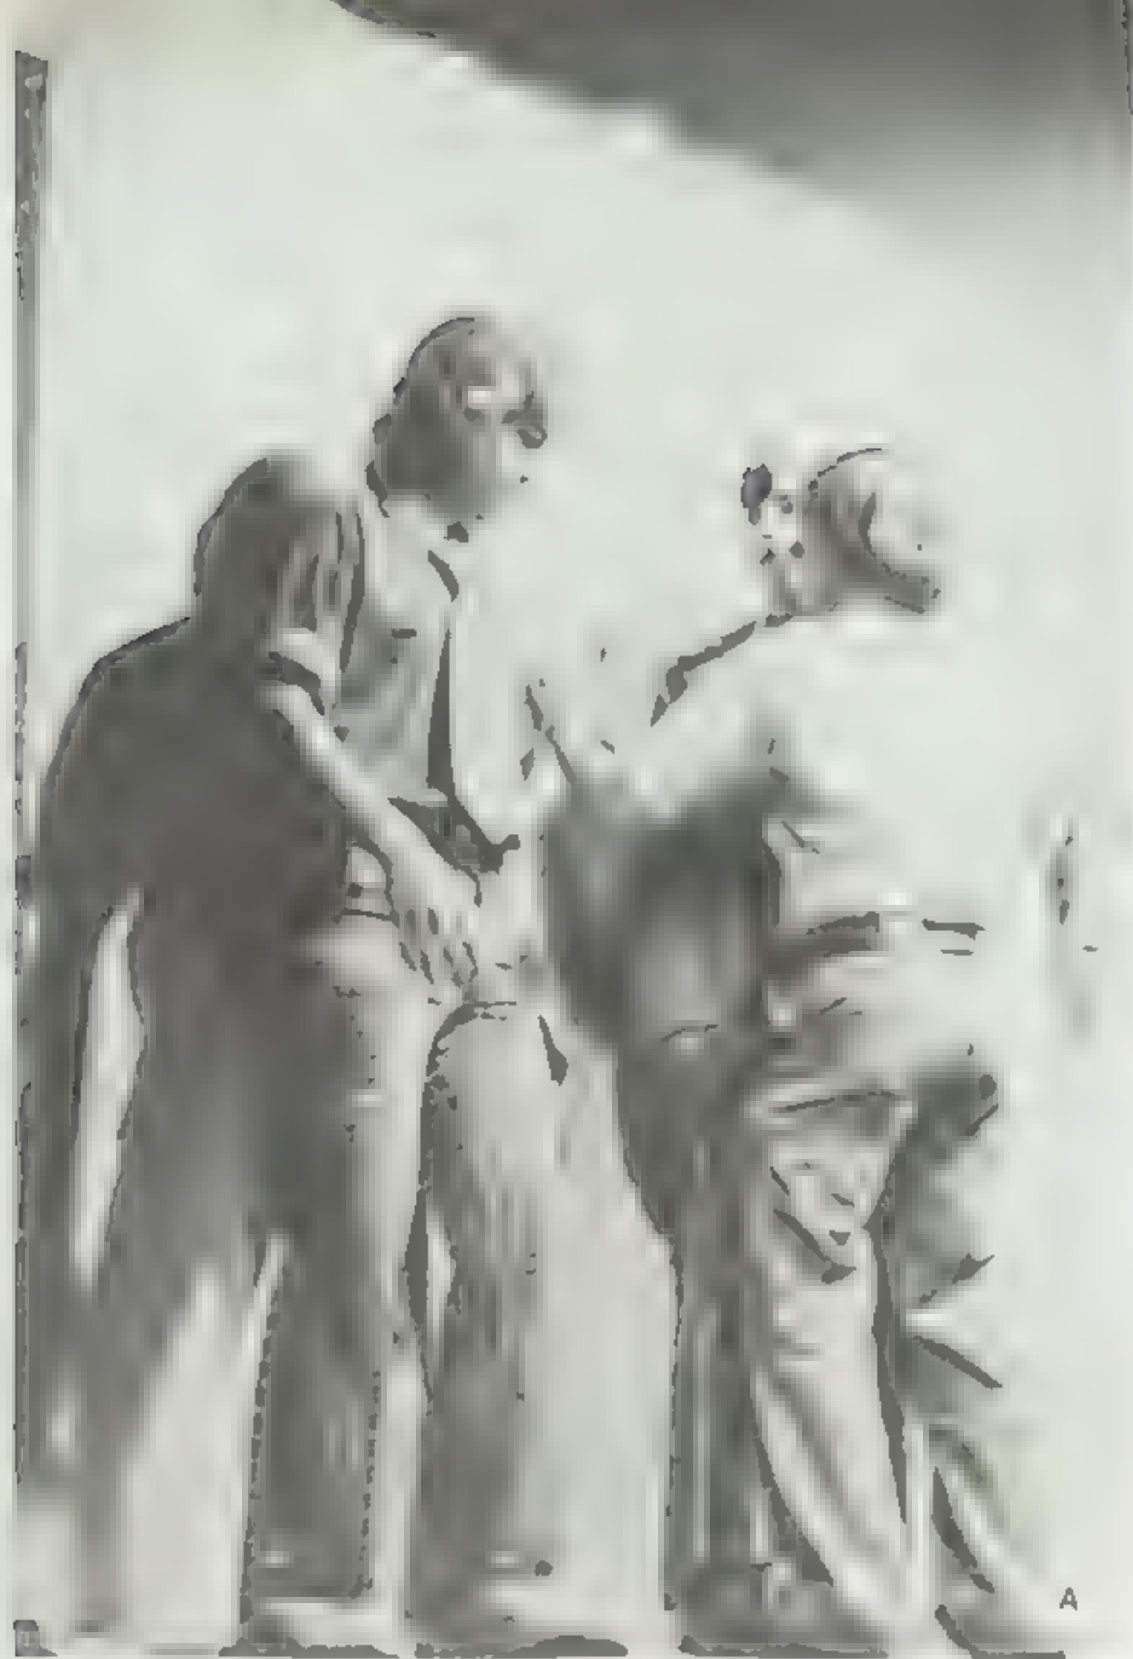

The Drama Club act, that is, The whole school had chances to see as many as three performances during school hours.

Only people in Drama Club can really know what determination it takes to practice every night to prepare for that final performance. The results were "All My Sons" in the fall, three one-act plays in the spring, "The Case of Humanity vs. Pontius Pilate" for the Easter Assembly, and "The Ledge, the Ledger, and the Legend" for May Day.

The club also helped to make the May Day Arts and Crafts Show a bigger success. They provided refreshments as part of a money-making project, and live entertainment in the cafeteria.

Extra activities included stage set-up for the Varsity Show and junior high operetta, and a theater trip to Ashland College to see their production of "The Mikado."

All the hard work and good acting paid off. Four of the best actors and actresses received special honors and twenty to thirty members accumulated enough points to be eligible for membership in the National Thespian Society.

To close out the year, the FHA members helped to serve the Annual Future Farmers' of America Parents Banquet.

NHS ACHIEVES CHANGES

National Honor Society achieved some major changes in 1974-75. New members were tagged after a new set of requirements had been initiated by the National Organization. Members must now be either juniors or seniors with a 3.4 grade average or above, who have an excellent character, and excel in service and leadership in school and community.

The new members were formally inducted at the end of February at a candle-light service. A potluck dessert for the new members and their parents pre-

ceded the service.

The two fund-raising events for this year's members were the desserts prior to and following the Drama Club's Spring and Fall Plays and the Annual Smorgasbord held during the Annual Math & Science Fair in March.

The funds raised helped to pay for a \$50 book scholarship for a senior member of NHS, the funding of the Scholarship testing program, pins for new seniors members, and honor cords for all of the NHS seniors, which are presented at the Senior Assembly and worn at Graduation. This year 17 NHS seniors wore the double gold cords.

This spring saw the members enjoy a picnic and canoeing trip.

The NHS this year were led by Carol Hult, president; Scott Osborne, vice president; Jody Humbert, secretary; Chuck Guthrie, treasurer; and Ron Fluharty, reporter.

SCOOP IN THE MAKING

This year the school's paper has undergone a change, Mrs. Detrow is the adviser, her first year at the helm of Crestview High School's paper, and we are having it printed by Modern Offset Duplicating Service, Inc. in Ashland. Many things either had to be changed or learned because of this process. The staff learned how to make a "paste-up," find interesting stories, write them, and type them to fit in the space available. At first, this was difficult, but as the year went on, the staff became a team and have put out one of the best papers Crestview has ever known, "The Cougar's Paw."

Newspaper Staff--FRONT ROW: C. Hardgrove, G. Norris, P. Wolf, D. Oswalt, S. Wells; ROW 2: B. Furman, S. Gibson, B. Remy, S. Kissel, R. Fluharty, S. Phillips, F. Schillinger, P. May, D. Barker.

THE FINISHED PRODUCT

THE "CRESCENT" TAKES ON A NEW LOOK

Tradition was broken and minds were boggled when the '75 "Crescent" was put together. The idea was to make this yearbook stand out among all the others as being different. It had to be about us: what we did and how we felt for a whole school year. It took a while to get the hang of it, and even then, it wasn't always easy. Whether or not the staff succeeded is up to you.

Thanks to a competent staff, a fantastic advisor (Mrs. Jacobs), a very inspiring and helpful American Yearbook representative (Mr. Earl Parks), and a sometimes absent-minded editor (what's her name?), the '75 "Crescent" made it into your hands.

Yearbook Staff--FRONT ROW: G. Patton, B. Kline, M. Funk, R. Fluharty; ROW 2: S. Bradley, B. Gallaway, C. Hult; ROW 3: B. Furman, J. Gibson, J. Vogel; ROW 4: D. Greenawalt, M. Hockley, D. Vogel; ROW 5: T. Lewis, K. Bilger, V. Aurand; ROW 6: R. Lambright, Mrs. Jacobs, Advisor.

C. Melody Funk takes pen in hand once again to fulfill one of her many tasks as yearbook editor.

D. The 1975 yearbook staff found that it wasn't always easy "getting there."

LET'S HEAR IT!!!!!!

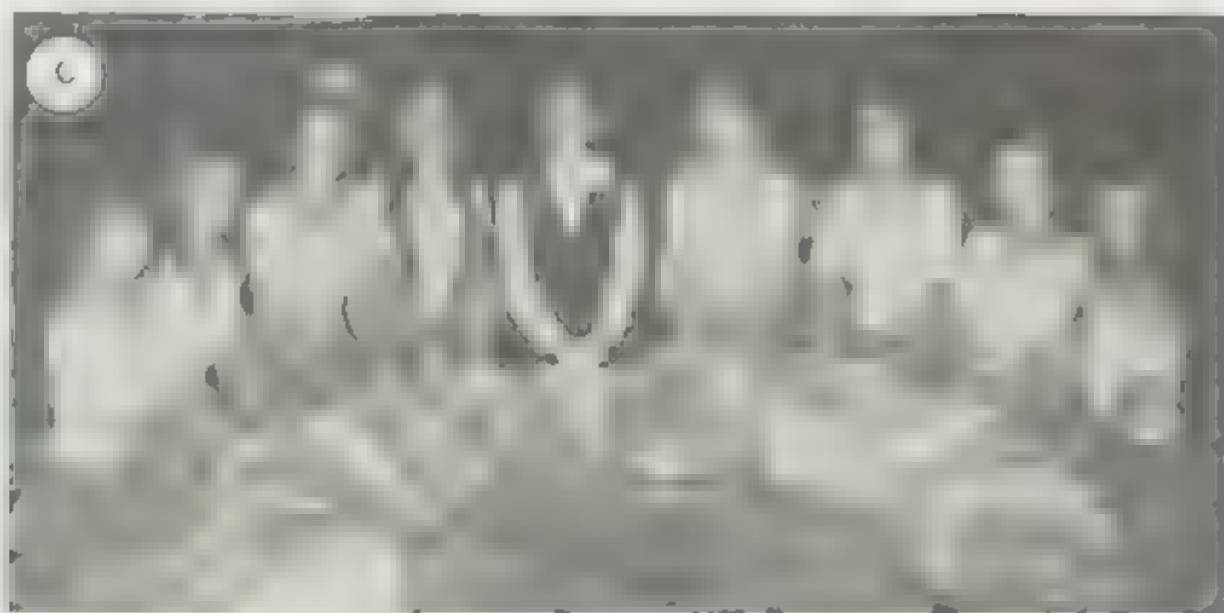

As always, the cheerleaders were a vital part of the 1974-75 SPIRIT year at Crestview High School.

During the summer of '74, the varsity and reserve cheerleaders attended Crescendo Camp at Rio Grande College and spent many long hours practicing for the coming sports seasons.

The Varsity squad cheered for football, cross country, wrestling and basketball. The reserves were busy with reserve football and basketball and joined the varsity to cheer for cross country and wrestling. The reserves also sold programs at home football games as part of their money-raising project.

The cheerleaders also joined the drill team for pom-pom routines during basketball season.

The freshman cheerleaders cheered with the reserves this year for football as there was only a combined freshman and reserve team. The frosh also cheered for freshman basketball games and sold programs for the home games.

MORE THAN MEETINGS AND HOMECOMING

Assemblies and a student exchange were also part of Student Council this year.

Although there were only a few assemblies, two were especially great. Charles King entertained all of us with his songs and humor. Remember "If You're Happy and You Know It?" The Hendersons were a rare treat, too. Some of the guys might remember playing that strange and strenuous game with the watermelon-sized ball.

The student exchange with Ontario was an interesting and rewarding experience, if not scary at first, according to President Sonja Obrynba. It happened in April—a first for us. Ontario really wasn't so bad!

Officers were Sonja Obrynba (Pres.), Rita Spoerr (V. Pres.), Sue Dunn (Sec.), Kim Glenn (Treas.), Mrs. Swingle and Mrs. Wagner were advisors.

GET INTO THE TEACHING ACT!

Members of FTA had more chances to teach than ever before. Mrs. Aurand, their advisor, was quick to find jobs at Union and Savannah, which included everything from playground duty to taking over a math lesson. Tutoring, which was new this year, also gave some of the kids teaching experience on a one-to-one basis at the junior high level.

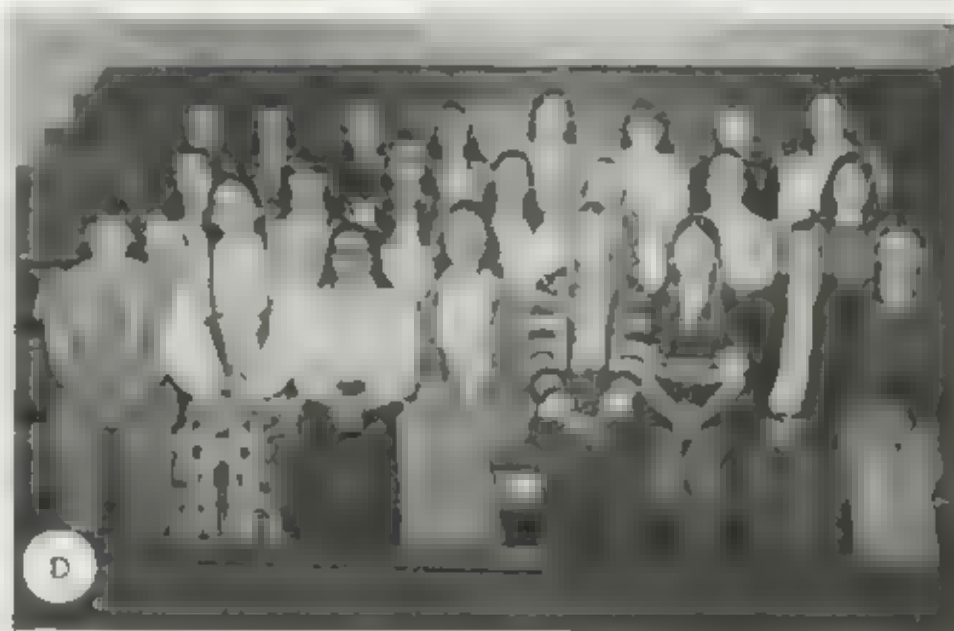

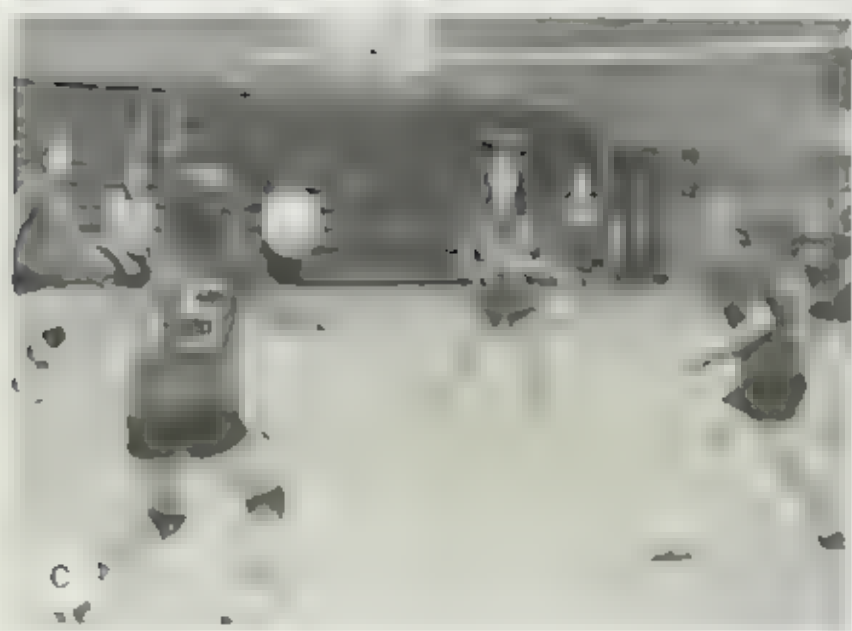

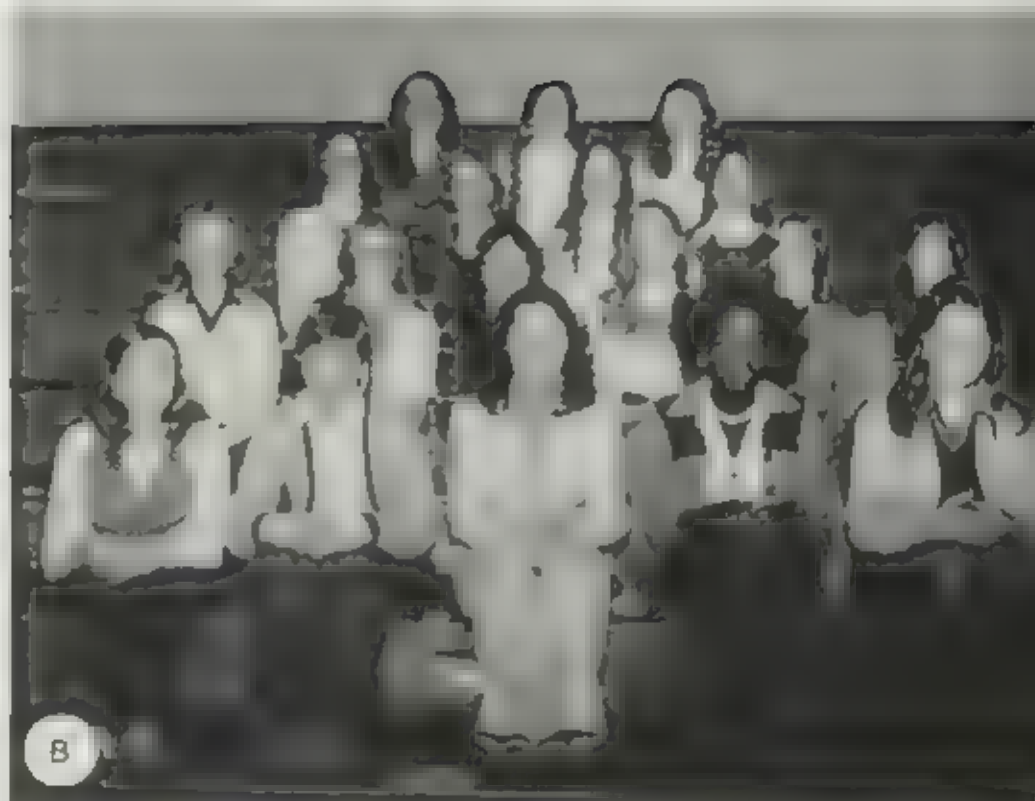

Keeping the high school scrapbook up to date was job given to the club by Mr. White. Bonnie Gallaway and Dawn Greenawalt were in charge of it and often could be found in the library from 8:45 to 10:00 searching the papers for articles.

Officers were Greg Patton (Pres.), Bonnie Gallaway (V. Pres.), Stacey Bradley (Sec.), Lynda Webb (Treas.).

STEPPING OUT

The 1974-75 Drill Team had a busy year straight through the end of the '75 basketball season. They spent many hours during the summer and fall practicing with the Cougar Marching Band for their performances at the fairs and during the half-time presentations at the football games. Winter brought more practice as they prepared their half-time shows for the basketball games. This year's Cougarettes numbered 12 and are a proud part of the Crestview spirit booster team.

C

This year the marching band went through many different stages. We started out with a new band director, Mr. Robinson. Although things did end up on a fairly good "note," it didn't start that way. Under new direction, the band and conductor had many problems due to the change from the way it used to be to the way it's to be now. And after getting use to it, many people came out ahead in their self-development. There were many experiences involved, some of them were: football games, parades, and pep assemblies. Hopefully, everyone gained something from their participation in our marching band.

SING OUT

This year's chorus had many new members which made it a young chorus. The members participated in different events, which included several concerts, and the Solo and Ensemble Contest. Several members of Crestview's chorus joined the All-County Choir. With this year's experience, next year's chorus should be able to expand its talents.

BIGGEST EVER

March 6, 1975 found the Crestview High School gymnasium filled with 110 science projects, making this the largest Science Fair ever held at Crestview. As projects were required of all science students, many hours of hard work and preparation went into the projects and reports that were presented. Thirty of those judged received superior ratings and were entitled to go on to the district judging held at Ashland College on April 5.

DOING WHAT THEY DO BEST

Going to school and holding a job at the same time wasn't as easy as it sounded, especially with the economic slump, but the O.W.E. (Occupational Work Experience) class of 21 students had a fantastic work record. Up until after the holidays, 100% were keeping their jobs. Not bad!

Something different happened on March 25 when Mr. Tegtmeier, (advisor), and the kids put together a banquet to honor their employers. Forty-six students and their bosses turned out for the event held at the Dutch Pantry; where they not only had a good meal, but also listened to Mr. Gates from Ontario, speaker for the evening.

ATHLETICS

Sports at Crestview was never better! This year, it was full of "firsts", records, and recognition as area champs. The cross country team made top spot in the JAC. You'll never guess what the football team did. The girls' basketball team travelled to its first tournament. In spite of a record number of wrestlers kicked off the team for smoking, we were well represented at State. Mr. Rhoden coached the basketball team to its finest record since 1967.

The improvement we made in athletics did a lot for the school. For the first time ever, we were tough competition in all the sports we participated in. Sports helped us in "getting there" - maybe more than anything else.

J.A.C. CHAMPIONS!!!!!!!!!!

The football team hit the top this year. After posting a 5 win-5 loss record last year, the Cougars recorded an 8-1-1 record in 1974 and a 6-1-1 J.A.C. record. This was good enough for the first J.A.C. Championship in Cougar football history.

One of the main reasons for the Cougars' success was Coach Seder. Coach Seder has brought the football program from a 1-8 record two years ago to this year's championship. Another big reason was that the Cougars had one of the top defenses in the area. On offense, the Cougars had the J.A.C.'s leading scorer in Jamie McGraw.

Along with winning the J.A.C., the team also came in 2nd in the sectional and district meets. They finished 7th in the State Meet.

Improved would be the best word for this year's golf team. The golfers compiled a 14-4 win-loss record and had a 4th-place finish in the J.A.C. and in the Sectional tournament. At the Sectionals, the team missed a District berth by only 1 stroke.

Brad Eberts was the #1 man throughout the year for the Cougars. Brad also won the individual title at the Sectional and went to the District match. Brad and Bob Beaty became 4-year letter winners. They have been on the Varsity Golf Team since it began.

Individually there were three team leaders. Jim Tuttle led the J.A.C. in scoring for the second straight year. Jim was Second Team J.A.C., First Team Ashland-Area, and Honorable Mention--All-Ohio. Bob Beaty was named Honorable Mention J.A.C. Bob was also named top defensive and captain of this year's team. Kevin Paramore was All-Ashland Area and the top rebounder on the team.

TENNIS ANYONE?

Crestview nets a tennis team for the first time. Thanks to the F.F.A., we now have three beautiful new tennis courts on the school grounds. Greg Patton was captain of the first Cougar team and played #5, Martin Krizan played #4, Eric Johnson #3, Will Evans #2, and Al Leitenberger was the #1 man. Our Cougar netters promise a greatly improved team for next year with only two seniors leaving. There is also a strong reserve team to challenge for varsity positions for the '76 season. The team's sole win of the season was against Norway. Miss Sue Paynter was the tennis coach.

PEOPLE

Friends. They were great. When things got rough, they pulled us together. And when there were good times, they made them better.

Being at a small school was an advantage (Most of the time). Everyone knew almost everyone else. We could all be friends- if we tried. Most of us did.

That's why the "getting there" was together.

The sophomore class has been active since 1974 and 1975 in a variety of projects. The foremost activity was the Rotary Club's variety show held in November. The arrival of the class rings was the highlight of April. The ever popular project was the Denney Basketball game that was held against the sophomores of Mapleton that ended in a tie game.

ANOTHER NEW BEGINNING

FRESHMEN

Freshman Class Officers: Steve Williams, President; Connie Kissel, Vice Pres.; Nina Melching, Sec.; Patty Van Scoder, Treas.; and Jay Lambright, Reporter.

The freshmen class entered into the high school with high spirits.

Their first of many-to-come, money-making projects was selling lightbulbs, in the spring.

The freshmen learned early that to get it altogether was important, in order to gain success in their high school years.

BEING TOGETHER — PART OF A DAY'S WORK.

A. Miss Dinsmore, Pam Stone, and Marcia Shepherd clean it up in Home Ec.
 B. Mr. Werher supervises creativity in the making, Art I-style.
 C. Guess what happened! Mr. and Mrs. Teffner make a neat couple.

Page 124--upper left corner: "From the sublime to the ridiculous.
 upper right corner: Mr. Burns proves he can do it too! bottom: Mrs.
 Miller and French Class do as the French do.

"Did you know that your teachers love you almost as much as your parents do?"
 "Wait a minute. Run that by me again."
 "Mr. Billick said that our teachers love us almost as much as our parents do."
 Only the teachers know for sure. But they'll never tell.
 Mr. Billick also said things like hall duty, restroom duty, and homerooms. They were all part of the job, just like being together. And it must not have been too bad because some pretty special things happened. Some of the coaches turned out conference champs and two faculty members made Fall a very special season by getting married.
 It was a good year.
 Maybe they really do love us.
 Well, almost.

OFFICE A BUSY PLACE

People in the office had a lot of new things to cope with this year.

Mr. Anthony Billick (lower left) was our new principal. In many ways he was out for the students' welfare and helped in any way he thought he could. Coming on strong and enthusiastic, Mr. Billick boosted our spirits in sports and made a lot of big plans and changes, like assembly A, Homerooms, and the Pledge.

Our Secretaries (upper left hand corner) were: Mrs. Dorothy Kemp, Mrs. Helen Fulk, Mrs. Jenevieve Oswald. They were really kept busy this year with the different typing assignments given to them by their bosses. Dorothy Kemp has various jobs such as, balancing the books, aiding the students with supplies and doing jobs for Mr. Billick, Mrs. Fulk was Mr. McVicker's secretary and has taken care of the legal matters pertaining to the students. Mr. Pittenger handled all type of bills and Mrs. Oswald recorded and checked over them. Mr. Keil (upper right corner) was kept busy with Junior High administration.

On top of all the other odd jobs they did they found time to take care of our special needs, too.

"Little" Things Count

Everyone always heard about the controversial problems the board had (the married student hassle before the prom, for instance) while some of the really important issues they settled were mentioned: the "little" things that became big things.

How many of us knew about those nitty-gritty board activities that happened? They approved our new tennis program, community use of the library (in February and March), the addition of four new drains in the gym ceiling, the hiring of two new teachers for remedial reading in grades K-12, and others.

That's right. The board did it.

"Our job is to furnish the best educational program within our available finances."

A. David McVicker, superintendent.
B. Board of Education: D. McVicker, F. Whisler, D. Glenn, V. Harmon (Pres.), K. Burns (V. Pres.), B. Winters, H. Pittenger (clerk).

A. Cooks: P. Mitchell, R. Law, H. Kissel, P. Seibert, C. Dotterer, M. Kirkpatrick, V. Enzor.
 B. "Ma Kissel" and a good mood!
 C. Cooks: M. Krempel, N. Easterling, L. Oberlin, D. Cantleberry, D. McCormack.

What Would We Do Without Them?

Everyone would have to brown-paper-bag it for lunch, bring their own brooms, and bike to school. What a pain!

But thanks to the cooks, the custodians, and the bus drivers, we were well taken care of.

A. Mrs. Gano, Pioneer bus driver.
 B. Bus drivers: FRONT ROW: C. Buchanan, R. Kuhn, ROW 2: B. Wilson, R. Glenn, R. Searl, R. Whisler, ROW 3: M. Wyler, B. Dearl, P. Shank, L. Reiner.
 C. Men custodians: C. Bruce and C. Backensto.
 D. Women custodians: N. Glenn, W. Chase, J. Dishong, M. Calhoun.

DO THEY ALWAYS SMILE LIKE THIS?

SPONSORS

Remember the day that the cross country team left for State Meet? Surprisingly enough, Mr. Billick gave permission for us to make a tunnel from the locker-room door to the team's cars in the parking lot. It was quite a send-off for the guys. But after all, not every school has the Number One cross country team in the conference. They deserved all the support we could give them.

Local business sponsors really pulled through this year and gave us a full ad section, in spite of recession and the inflation crunch. Their support was much appreciated. They helped us tell you all about "getting there".

a year we spent "getting there."

And ALL of us helped to
make it that way. Thanks.
